

STP Summer Session is next week!

Student Transition Program

Hi STP Scholar-- I look forward to your arrival on this upcoming Sunday, July 10th!

As a reminder, move-in will take place between 8:00am-12:00 noon. You will report directly to Virginia Hall via the Monroe Circle (i.e., Campus Drive). To access Campus Drive, you will need to enter campus via Sunken Road. When you arrive at the Monroe Circle, there will be staff directing traffic for drop-off. At 12:00 noon, the summer counselors will begin to walk STP participants over to the location of the Welcome Ceremony.

Additionally, if you have not completed this short survey, please do so by tomorrow.

Please feel free to email or call me with any questions and/or concerns you may have. See you soon!

Best,

Justin
